**Facilities**

Set up areas will be approximately 10 x 15 feet. Choice of spot will be allocated on a first-come, first-served basis.

If you would like to be co-located with another team, please note this on your application. We will make every effort to accommodate your request.

Limited electrical service will be accessible to all booths. Your team must provide an electrical cord. We suggest that you bring cords totaling at least 100 feet in length. We will attempt to accommodate all teams with electricity but the amperage is limited...
**Facilities**
There will be one 20 amp circuit for every two booths. This will provide adequate power for lights and a small fan, but not for larger appliances. If you expect your needs to exceed 10 amps, you should bring a generator. Water will be available within 100 feet of all booths. We suggest you bring a hose to aid in filling water containers. You should bring a hose splitter if you want to extend a hose closer to your site. You may not be able to extend the hose all the way to your site.
Your team must provide all equipment and supplies (cooking equipment, tents, tables, chairs, etc.) except for turn-in containers and sampling supplies. Your team is responsible for the clean-up of your booth and the removal of your equipment and supplies. Dumpsters will be provided on-site for waste disposal. **Clean-up should be completed by 7:00 PM on Saturday.**

**Rules and Procedures**
Approximately 25 lbs of pork in the form of whole pork loins will be provided for each team at check in to prepare for public sampling AKA the people’s choice award. Teams are required to set up onsite with facilities for preparing and serving samples. Teams will make samples available to the public to promote your teams chances at winning the People’s Choice Award. Participation in the People’s choice is part of the contest! We suggest that you provide a 1 oz. samples for each visitor. Hand outs for the People’s choice should be samples size portions only. Serving supplies for sampling will be provided. You may choose to also provide samples of any or all of your entries including ribs, chicken, other grill products or your BBQ sauces in any form. Teams may have as many members as required. Setup must be completed by 7:30, and all vehicles and equipment that do not fit within your booth must be removed, ASAP. You must have a team representative at the Backyard Cooks meeting on Saturday morning. **No Propane fired grills please!** You must cook your ribs and chicken on site but you may marinate it prior to arrival. Please remember it needs to be kept at safe food temperatures at all times during the process. All meat will be checked prior to the chef’s meeting for appropriate temperature.

**Judging**
Judging in the **Chicken and Ribs**, categories will follow the rules and procedures of the Kansas City Barbecue Society (KCBS), except as noted above. Entries will be scored in blind judging by a panel of approximately 6 judges. Chicken and Ribs are scored for Appearance, Taste, and Tenderness. Containers for the submission of samples for judging will also be provided. (9” lidded containers for pork and ribs); The People’s Choice is awarded based on the number of “votes” your team collects in exchange for samples and goodwill distributed through your booth. Money collected through the voting process will be donated to the Owatonna chapter of the Special Olympics and other sponsored charities each year.

**Awards**
The contest will award trophies for winners in each KCBS-Style category: Chicken, Ribs and surprise category; First through 3rd place. We will recognize a the Grand and Reserve Grand Champion based on your cumulative scores for both KCBS categories and surprise category. One winner in the Smithfield loin challenge and People’s Choice will also be recognized. **New in 2019 “Team With Theme” Trophy will be awarded to the team who develops, illustrates or decorates a team theme**
