

Greetings from Owatonna Knights of Columbus Council 945

We're smokin' again! On June 4, 5, and 6 the third annual Smokin in Steele Barbeque contest will be held at the Steele County Fairgrounds.

We need your help, but we are not just asking for a donation. With us your money will not "go up in smoke". Advertising exposure and public relations opportunities are two tangible rewards. Our Friday night VIP dinner is a wonderful way for you, your spouse or co-workers to experience the excellence of competition level Kansas City Barbeque Society barbeque. Just ask anyone who was at last year's VIP dinner how wonderful it was.

Smokin in Steele is a Kansas City Barbeque Society sanctioned Minnesota State championship event, as proclaimed by Governor Tim Pawlenty. The grand champion of our event will be invited to the American Royal in Kansas City this fall. This is serious competition for serious cash prizes. The competitors spend money in our town and also have a great time.

This year there will also be five bands performing in the Beer Garden on Friday and Saturday. Barbeque, Blues, Beer: priceless. Blues 4 Kids will give free group harmonica lessons for up to 75 children and each will get a free harmonica. There will be more food vendors this year to meet increased demand. The popular garden tractor pull will return. This is not your average lawn-mowers - think helicopter engines, think V8's, think jet. A pancake breakfast Sunday morning the 31st will conclude our event. This will be a wonderful family oriented community wide event with regional appeal.

Sponsorships help fund these events as well as support our main beneficiary this year which is the Owatonna Special Olympics program.

The Sponsorship levels are as follows, plus what we can offer you in return.

Contact us for more info and someone from Smokin' in Steele will get back to you. They will explain about sponsorships, answer your questions, and ask for your help. There is a place and a way for everyone who wants to be associated with this quality event. Please say yes.

With your help, June 4 – 6 won't just be hot, it will be SMOKIN' !!!

Sincerely,
Smokin in Steele
